There are so many memories between us, I can't pick just one. I know that she will be missed by so many people, Laretta was a truly beautiful lady, with her own definite opinions who stayed true to herself. Laretta shared her kindness with so many patients in the skilled nursing and ALF. She took excellent care of both her parents and was a true Nana Lucky to all her grandchildren. I will miss our visits and talks about the crazy things that went on with our family & friends. Renee Vitale
