Dear All, There are too many wonderful memories to share, but Henry and Mary were our best friends for many years. We shared great times together. Do you remember Mille Bourne and the notebook in which we kept records of our games? The "Glass Symphony" in our Farmington Hills house? the many times Mary and you celebrated with our family in The Brookwood house – my grandparents birthdays and anniversaries, our grandchildren's' birthdays and special days – so many, many times spent together. I enjoyed visiting you in 1999 and had a royal welcome. Mary – what a special, special person. Gentle and caring are words that come to mind when I think of her. All of you are in my thoughts and prayers. The world is a better place because of this great lady. Love you all!!!! Shirley Noetzold

I have many fond and happy memories of Aunt Mary – remembrances of Centerline, Royal Oak, Southfield, Higgins Lake, Rochester – Alinosi ice cream and strawberries – laughter, spunk, sparkling eyes, fun. I wish the family comfort in knowing love leaves memories no one can steal. Aunt Mary was a special lady, indeed. Heaven has gained an angel. Hugs...Susan

I have had the beautiful privilege and honor of spending a lot of time with my dear mother for the last three and a half years and was with with her for a week at Joanne.s House at Hope Hospice until she made her transition. My mom was a strong, loving, kind, beautiful, thoughtful, caring, generous thoughtful mother, friend, and human being with a gentle heart and soul. Always putting other before herself, she was the most selfless, sacrificing, and generous person I have ever known. Her legacy of kindness, faith, trust, unconditional love, and spirituality will live on in my heart, soul and mind forever and in all those who she shined her light upon. May she rest in peace, harmony, eternal love and be free at last from any more physical pain and emotional anguish. I love you mom with all my heart and soul and I will miss you dearly. Your loving daughter, Carol
