Just saw the news this morning. I'm so sad to hear. I lived beside Jane and Tanya in the dorms at Ball State. We had so much fun and nonstop laughs. I wish your family peace and memories that never end. So glad I met her and grateful for all the time we spent together at Ball State.

Jane was my supervisor from 1997 to 2001. She taught me a great deal about workers comp working with the Flanders group. I lost touch when I went to work for the Government. She was a good and decent person. May she rest in peace. My deepest condolences to her family. Angela Moore
