On behalf of the Lee County 912 Project, we extend our sympathies and sadness for the loss of one of the finest men we have had the pleasure of knowing. Our hearts go out to the family in this time of grieving. Tom attended our meetings on a regular basis and we appreciated his wit and wisdom. It was evident to all that he was a patriot who loved his country with a passion. He will be missed very much. May Joan and the family find solace in their memories of a life well lived. God bless, Board Members The Lee County 912 Project

If Tom didn't regularly step out in faith and in action, especially for his country, we would never have been greatly blessed with his friendship. About 4 years ago, he had put a sign on his front lawn in support of Israel, which prompted Lou to knock on their door to meet this godly and patriotic man. He and Joan have been the best examples to us since then. We thank God for giving him to us here and for all eternity. Love to all the family, Lou & Jackie Kittle

Tom was a wonderful friend to my husband and me. He was full of interesting information, had a good sense of humor, showed a great attitude toward anyone he met, he loved Joan, his wife, and he loved America. Tom was always ready to serve and help wherever there was a need. We remember him above all his love and witness for our Savior, the Lord Jesus Christ. We will miss him but know for certain that we will be reunited in Heaven. Even so, come quickly Lord Jesus. Rick & Sandy Mason
