My beautiful sister was always there for me. She showed time after time "corporal works of mercy" . Visiting and encouraging me, as a young man, when my life was not going well, caring for me when I was sick, being with my family for my daughter's confirmation and wedding, Always with her wonderful smile and kindness, she always made me feel welcome when I visited her. So many laughs, so much love, we will miss you Georgina. Till we meet again, you are gone but not forgotten..I love you. Your brother Frank and his wife, Rosemary and family.
