I know that he is watching us from above with that all knowing smile on his face and that twinkle in his eyes. He may be gone Donna but he will always be in our hearts. We lost a dear friend and he will be missed but I hold alot of fond memories of the four of us on our adventures. I will always think of him when I hear a bell. I am so glad we made that acquaintance so many years ago at the beach. Love you Belinda and Don

I know for certain that we never lose the people we love, even to death. They continue to participate in every act, thought and decision we make. Their love leaves an indelible imprint in our memories. We find comfort in knowing that our lives have been enriched by having shared their love. Please accept my condolences.

We will miss our friend, Jim and the frequent Friday evenings relaxing at the beach. I love this picture of Jim that you shared on this page Donna-it is just how I always envision him-with a welcoming smile on his face. I was thinking recently about the last trip we took to Key West with You, Jim, Donny & Belinda. Remember how we over estimated how far we all felt like walking and ended up piling all 6 of us in that taxi? Made me smile to think of it. Love and comfort to you Donna. The Kostkas
