I had a quite special relationship with "Grandma Chew". She is an awesome lady! Learned from Her as well. Each day was interesting in some way. We had fun times, laughs, and sometimes hard headed slightly disagreements. I enjoyed all of the time that We spent together during the several years that I knew Her, as she lived across the street! Looking after Her was sometimes a trip! I am glad to have gotten to know Ya'll of Her family also! I have thought about Her a lot recently, and wish I had gotten to see Her recently... I am so glad I got to know about the Chew Family during My Life!

Grandma Chew was an Awesome Lady! I learned a lot from Her, during our short years together! Had laughs and really enjoyed spending time with Her! Trying to look after Her even was a fun time, most of the time... Of course She could be a little hard headed at times as well! I Loved Her just as My own Family, and I know She knew that! I am sorry that I didn't get to visit Her recently.... I have already missed Her a lot, and thought about Her always! It was also fantastic to meet Her family! Ya'll have been great friends to Me as well! I am truly sorry for Your loss!
