Gwen was my neighbor as a child and I have a very special place in my soul for her and Peggy. I was fortunate enough to have Peggy as a Spanish teacher for 4 years, and she introduced me to Gwen and we spent many a day in their pool.

Gwen you will be missed by all that knew you. There was never a dull moment when you were around. You brought laughter to me during some of the darkest times when I lost my loved ones. You and Maxine drove all the way to Leesburg when my grandmother passed and I will never forget that. Maxine, our thoughts and prayers are with you and your family. Hopefully you can find comfort and peace knowing Gwen is with momma and the Lord. If there is anything we can do please let us know. Love and prayers Tommy and Diane West

Gwen was a wonderful friend and neighbor. I always smiled when I heard her cheerful voice on her arrival back from Tennessee. She had a generous heart and loved to go to the country and pick up vegetables to share with the neighbors. I loved seeing her and Maxine drive by on their way to dinner. She was vibrant with a big heart and anyone who knew her liked her instantly. She will be missed.

I am so sorry that my friend Gwen is no longer alive here to talk with and laugh and share our lives. I enjoyed her friendship so much. I looked forward to seeing her. I met her at a Tennessee Lady Vol's game and also her sister Maxine. See was truly a Vol fan. I talked with her before she left for Fla. She shared how she committed her health and her life to her Savior Jesus Christ. I know she is in the presence of Jesus and in His presence there is fullness of joy. That helps me so much in my grieving of Gwen's death. I will and do miss her. I hope Maxine, that you will call me when you can. 865-426-4271. I would have called as soon as I heard, but do not have your no. I love you and am praying for you and your family. Prayerfully, Pat Webster

We met Gwen about a year ago. We were at an auction in Sevierville, Tn. My husband, Barry, was bidding on coins but was repeatedly out bid. Gwen swatted him with a piece of paper and said "it's only money, don't be a cheap skate!" We all had a good laugh. The laughter continued from week to week at the auction center. We very quickly became friends. She returned to Florida for the 2013 holidays. When she returned to Tennessee, she had Maxine with her. We were so happy to have the two wonderful ladies as our friends. We have shared so much laughter in such a short time. Every week was filled with learning new "East Tennessee English" and decided what we couldn't live without that was on the auction block. Just before she and Maxine left to return to Florida, we all went to the Christmas light display. It was comical the way we all piled in her Saturn and away we went to drive through the grand light display in Sevierville. We shared lots of laughs that night! Gwen was such a pleasure to be with. She always had kind words and was such a positive person. She will be greatly missed by Barry and I. Our hearts are broken but we know that she is rejoicing in Heaven. Maxine, we love you and are praying for God's peace to comfort you! Please let us know of anything we can do for you!
