Hi John, one day I will be with you in Heaven but until then I cherish the memories we shared together, especially the races we used to have to see who would get to point A the fastest with our canes. Our Father and Lord Jesus Christ is with and around you always John. Put the hearing aides away John, for your hearing is better now than it has ever been and I know you can hear my prayers for you.

I worked with John at Lynx for several years. He was a quiet mild mannered man, but always polite and with a smile when spoken to. He exercised daily at work up til the end. He will be missed here. Rest in Peace John. Kate
