George and I. Vetcha Sayles were both of Ukrainian descent. He had this little joke he liked to pull on me whenever our families got together and I fell for it every time. Even tho I had heard it again and again. I would forget the punchline in between visits. He would ask if I liked peirrogies . (Checking how my knowledge of the Ukrainian language was I was assuming.) Then he would ask if I ever had gahrragegies. Well, of course not. There it was, He got me!!!.....(garage Keys).
