I miss my daughter very much, as do her siblings. I pray for their comfort from our Heavenly Father each day. May Emily and Joey and Roger feel the prayers that go up for them, too. It will be an ache in our hearts forever. May God help us and bless us with His love.

I miss my daughter terribly, but feel she is with our Savior and with her family who has gone before her. That helps me each day when I am thinking of her. Her siblings are feeling her absence each day, too, and need prayers for comfort. Much love to her two children, Joey and Emily, and to Roger Dennen, their father.
