On behalf of the National Women Veterans United (NWWU) we extend our sincere condolences to the Taylor and DeBuysere family on the loss of your loved one Paula Kay Taylor. Although we did not know Paula, she was our comrade and sister soldier. The legacy of her contributions to this nation should never be forgotten and we encourage the family to register Paula's service with the Women In Military Service for America (WIMSA) in Arlington, VA, where nearly 250,000 women who have served in the Armed Forces will be remembered for years to come. May almighty God comfort the family and we thank God for Paula's courage and service. Respectfully, Rochelle Crump, President National Women Veterans United
