My friend Florin. You will be missed...I remember when we met in Michigan many years ago, and quickly became friends. We were both new to this land, and we helped each other deal with the major culture change. You then went ahead and got married on my birthday...I will always remember! Even though we are states apart we kept in touch, and was always happy to hear you talk about your beautiful family. My thoughts and prayers go to your family...May God heal your hearts and give you strength to move forward. No more tomorrows to share, but memories will always be there.
