To Angie's kids. I am at a loss for adequate words to express my sadness for you. I had the blessed opportunity of knowing your mom years ago in bridgeport connecticut , she was my moms bestest friend and always was like a aunt to me, I know heaven just received one of the most special angels. You are a reflection of your mom ,she will always look after you guys now not only has MOM but she gained a new role also as An Angel. My deepest condolences. Mary (Vicky's daughter)
