Robert James Kuck

OCT 6, 1933 - JUL 12, 2014

Robert James Kuck, 80, of Fort Myers Florida, formerly of New York City, New York, passed away on Saturday July 12th, 2014. Robert was a victim of Alzheimer's disease and all the ugly medical issues that go along with it. He is preceded in death by his first wife, Dr. Maria Angeles Perez Kuck D.C. (He loved her so much, that he married her twice!) He is also predeceased by his first born son, Robert James Kuck Jr., and his late wife, of several years, Joyce Kuck. He is survived by his son, Fernando "Randy" (and Christine) Kuck of Vermont. He has two daughters who live in Florida. Maria (and Dennis) Soucy, and Maria Elena (and Robert) Provan. He is also survived by his daughter-in-law Kathy (Robert Jr) Kuck of Vermont. Robert leaves behind 7 grandchildren, 4 great grandchildren, and many nieces and nephews. He also leaves behind several close friends both young and old. Over the years, he became close to some of his late wife Joyce's grown children. They reside in the upper New York state area. Robert was a long time employee of IBM. He thoroughly enjoyed working with them. He was intelligent, hardworking and loyal. Robert was good with a hammer and nails. He helped many people with 'fix-it' projects around their homes and property. He liked to travel, he enjoyed his little garden, and he always enjoyed the pool and walks on the beach. When he was younger, he went to Coney Island and Rockaway a lot. He and his friends like 'hot' cars, girls and swimming in the Hudson River. He spent endless hours and days with his brothers and sister and their families, as well and his own family, at picnics and parties. He and his wife (Maria) bought and sold 'fixer-uppers' throughout their years together. He really liked to laugh and have a good time when he was younger. There will be no calling hours. In place of flowers, please send a donation in his name to: The Alvin A. Dubin Alzheimer's Resource Center, Inc. 12468 Brantley Commons Court Ft. Myers, FL 33907 Or, online to: www.alzheimersswfl.org/donations.asp

When John and I last saw you both together in September I never imagined you would both have your angel wings by now. I often reflect on your marriage to my Mom and use both of your examples of true love, friendship, dedication, and commitment to each other in my own marriage. Rest in peace my dear stepfather

to Bob's family I have known him several years as a neighbour in Poinsettia Park. Not close friends just neighbors. I am a Canadian and in the park about half a year each year. Although I have owned a home there the past 15 years.. This year the months of March, April and early May Bob came to the pool several times in the evening, while I was there swimming. Sometimes we were the only ones there and it was pleasant talking about his past and dreams. Since Joyce's passing a short while ago, it seemed Bob was lonely. He did mix with some people while out on his bike. Not being able to drive a car was difficult for him as well. Well he is at rest now. A life well lived and a proud person . . .
