I will miss this sweet sister in law. I will miss the telephone calls where we shared recipes. She was such a loving, caring person always making you feel welcome any time you were in her home. I loved her very much and just wish I could have spent more time with her.

We only knew Peggy for a few short days as our mothers shared a room at Health Park Care Center. In just hours we grew attached to Peggy because of her loving and gentle spirit – peace and love overflowing to those around her – . no matter how she felt physically. I am blessed to have known Peggy, and very thankful for the way she and her family touched our lives. God's blessings, Susan Tomaino and Ann Durant

Our hearts, love and prayers go to the family in the loss of a mother and grandmother. I will always remember the good times that Peggy and I have had doing errands and having some good laughs together. She was a loving, caring and devoted Christian. I will miss you Peggy with all of our get togethers with family.
