We will always remember Wesley with a twinkle in his eyes, a smile on his face, and his arms outstretched for a big hug. He was generous with his love and kindness as well as his conversation. We shared laughs and good times as well as "serious" discussions. The trip to KMart in Cape Coral was never as much fun after Wesley retired as greeter at the front door. The angels in Heaven are blessed to welcome Wesley home as we were blessed to have him with us here on earth.
