I'm so sorry for your loss. Please accept my deepest sympathy. May you find comfort from your memories, as well as God's word the bible. Why do people we love die? Romans 5:12 says: "That is why, just as through one man (Adam) sin entered into the world and death through sin, and thus death spread to all men because they had all sinned." How loving of God to promise what is found at Revelation 21:4 which says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away."

Aunt Loyce, you shine, like the stars above. Your smile, your mischevious twinkle in your eyes, as you tell a story ... the way you reach out, from within your self ... your love was so often extended and given, again and again. I remember hundreds of meals in your home ... You are my mother, friends to each other, more than a sister. I remember the last time you hugged me, just in November when I was visiting ... you asked about my life and my family, even though you were sick. The way you reached out to me, all my life, stays with me. You were an encourager, and friend. Very special lady. I cannot believe, that we are being asked to write a tribute on your wall like this. I am mourning your loss ... so much. I know you loved your Jesus ... Will see you soon! Your niece, Jan
