I'm so sorry for your loss. Please accept my deepest sympathy. May you find comfort from your memories, as well as God's word the bible. Why do people we love die? Romans 5:12 says: "That is why, just as through one man (Adam) sin entered into the world and death through sin, and thus death spread to all men because they had all sinned." How loving of God to promise what is found at Revelation 21:4 which says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away."

Such memories of my Aunt Catherine. She will always have a special place in my heart. I will always see that beautiful smile and hear that wonderful laugh when I think of her. Our little talks will be something I will always treasure along with my childhood memories. Rest in peace in God's arms now. Love you..... Carolyn and Jimmy Gunter
