Rest easy now mom, I surely was not ready but I never wanted you to be in pain or suffer. My head tells me it was better this way but my heart will never be convinced. My life will never be the same without you.

I keep hearing your voice grandmom, like you're still here. I don't know that I will ever get used to it. I'm going to miss you sooo much. You mean so much to me. You were the best. I'm glad that you're not hurting anymore, but selfishly I'd rather have you here. I love you.
