Nan, Thank You for being such an important part of our lives. We always new that a visit to your house meant so much more than simply a "visit". Some of the things we found were: Great smells of italian foods being simmered on the stove, italian wedding soup loaded with meatballs on holidays, Perhaps the winnings of a "lucky" lottery ticket on the counter, given out to family freely, A loaf of italian bread always on hand, A cold beverage on hot, humid Jersey summer days, A clean, comfortable home where you felt as if it were your "own" home, Candid conversations about things you felt were important, and meaningful to you and the ones you loved, Advice or the occassinal "stern" talking to, Tales of days gone bye, and relatives from afar, To find you talking in italian via telephone to Italy once in a while upon our arrival, But most of all, we found unconditional love and acceptance. The feeling that family meant something and that we always had each others back. In good times, as well as challenging times. I appreciate the love and care you gave me throughout my life. From a little boy to a grown man. We will miss you of course, but think fondly of the memories above as we know you're in God's hands. And.... That's a good place to be. Love Mark

Sleep Now Nanny Dora, Although I cannot see you, I can feel your presence near. I will hold you close in memory, Till I drop my very last tear. So sleep now with the angels, And your golden heart let rest. Although our hearts are broken, We know that GOD took the best. So dance beyond those golden gates, And join your loving husband, Memories held tight of how you were perfect mates. For today I'll close my eyes, and see your smiling face. I'll lock you up inside me heart, Until we again embrace. So rest now my beautiful nanny! I'll never forget how much you have done. So until my hand meets yours again, Sleep now in the sun. Love Stephanie
