My mom was one of the strongest women I know. She molded me into the strong woman I am today and I thank her for that. I miss her so much, but am comforted that after her long illness she is finally able to once again talk, walk, sing and dance! I know I will see her again one in Heaven and we will have a glorious reunion there! She is just one more special angel looking out for me and all her loved ones. I love you Mom, Nancy
