I gave Kyle a ride whenever he needed one...which was alot. I never thought how much I would cherish those rides now. All of the talks we had about our lives...the past, present and what we wanted for our future...And just hanging out together and not needing to say anything..I never thought I would have to say goodbye to such a good friend so soon. Always on my mind Kyle and forever in my heart. I will love you forever and miss you everyday my friend. God always takes the best...and he just gained an amazing angel.
