Yolanda, Alex will be missed by everyone at both the Cub Scouts Pack 82 and Boy Scout Troop 82 as well as all the scouts he served overseas. I will miss his humor and will think of him often. I really enjoyed our training weekends and camping trip, getting to know him . To me his memory will remind me to always have fun but keep my eye on the end goal. Please let me know if we can help with anything. God Bless you and yours.Sincerely ,Kelly SantoCub Scout Pack 82Grace United Methodist Church

My tio Alex was the most positive & fun loving person I knew. He always made me laugh & always understood me whenever I had a problem. He led a perfect example of what it meant to love & live life. I've never had another family member besides my parents care & look out for me as much as he did. He treated me like a princess, from the shopping sprees in Miami to taking me everywhere when I would stay with him in Florida. We would always crack jokes on my mom & have her & everyone else laughing. You are gone way too soon but just like you told me a few weeks ago, I'll see you soon. It's never goodbye, just see you later. You'll always be in my heart, I love you. Rest in peace.
