Maleah. I still can't believe you're gone. It's like a bad dream. You were so full of life. Lived every minute to the fullest and on the edge at times. I am so glad I got the pleasure to be your aunt. I am glad to have let you girls come to Iowa to live with us. I will never forget the first time you seen snow. You were so happy. You are with Sabrina now. I know you are happy and at peace. I love you both and this world will not be the same without my tall, beautiful, loud, nieces. Fly high my angels. Love, Aunt Jonette
