To the Eland Family, We send our condolences to you during this sad time and sympathies as you celebrate the life of your husband, father and grandfather. Thank you so much for sharing your lives with all of us. Even though the majority of our time spent together was 1967, until you moved to Florida, I cherish the memories of those times: * Mike and Alan trying to create a football team for Country Builders with a bunch of low talent rag tag boys. * Having Chuck as my Sunday School teacher (one of the best I've had all these years). * Getting scared out of our wits at our annual Sunday School Halloween party "haunted house." * Going hunting with Chuck, Mike and Alan in North Dakota and experiencing 90 mph on the freeway for the first time! * Going "sailing" with Chuck on his little boat out on the lake. What a heart full of good memories! God bless all of you. With love, The Wayne Haas Family

Dear, Dear Delores and Family, We are so very sad to hear of your loss. Chuck was a great man of God and the world is a better place because of him. It makes us smile to think of him hearing from the Lord, "Well done, thou good and faithful servant." In Him, Sandy and Jim Haas
