Very shocked to hear of Phil's passing – I know how difficult it is to deal with the passing of a close loved one. Take one day at a time and remember, his spirit is always with you. Talk to him as if he was in the next room – he is still with you and watching over you. Love Toni

I will miss my Uncle Phil very much. He was a happy and very generous man. I have many happy memories of him from the time when I was very young. He had such wonderful stories of "the old days" and could remember so many details. He was a great cook too; we all loved his meatballs. I'm so grateful that I had him in my life. He was loved so very much!
