Harry always gave you sense of certitude. That the garden would be well tended and therefore beautiful. That the coffee at Bingo would be made and delicious. And finally that a man might know a woman for many years and still smile proudly at the sight of her entering the room. Ron & Peg Nies

There are very few people in the world that make a difference. Harry was one of those people. His compassion, dedication, and love of life, family and friends was a true testament of what he was all about. I was privileged to be able to call him my friend. I will miss him dearly, and will always remember the times that we have shared together, and after stingers, the times we could not remember. God bless you Harry. Craig O'Donnell

Harry's eyes lit up whenever he saw his "girl" Juanita. It was wonderful to see the love these two wonderful people shared. Harry was generous with his time and talent in helping our HH ONE community be a better place for all of us to live in. THANK YOU Harry for everything you did!
