Dear Nancy, I just now found out your dad died in 2013. I was his patient back in 1995 in Florida and moved back to Holland. I last saw him in 1997 when I visited Florida. I was again in Florida last year and went to his old practice to find out he was not there anymore. Was he ill? How is your mother? Are you and your mom still live in Florida? I did try to call your parents on the ph nrs I had but didn't reach them. Your dad was a very talented doctor and helped me to get well and get rid of stress. At the moment I'm studying acupuncture in Holland where I live. Give my warm regards to your mother and can I have her nr to call her? Lia
