Dear Grandma, You were always so spunky and spoke what was on your mind. You were a woman ahead of her time; wife, mother, friend, and one smart cookie. When I tell my children about the memories I have of you, I always include the summer I stayed with you by myself, going to Disneyworld, and most recently when we all came down for your birthday. I am proud to call you my Grandma. Danni

Dear Brown Family, I just wanted to say how sorry I am to learn of your loss. May the God of all comfort sustain you during this difficult time. I have also found the following promises to be comforting John 5:28,29 about the resurrection hope as well as Rev. 21:4 where God promises to do away with all the things that cause us suffering and pain including death forever. It is my sincere hope that these thoughts comfort your family at this time. Laura
