It is always fun to reflect on the past, especially the fond memories made possible by someone as generous as Aunt Stella and Uncle Marlin. We were welcomed into their home on many occasions and loved spending time with the cousins. These memories would not exist without her cooperation and willingness to embrace a brother in law from Illinois, his wife and their 8 children. This had to be frightening yet she never let on, bless her and her family. Love to all! Julie Brumley Mieure
