To Catherine  
God saw you getting tired,  
When a cure was not to be  
So He wrapped his arms around you,  
And whispered, "Come to me."  
You didn't deserve what you went through  
So he gave you rest.  
God's garden must be beautiful  
He only takes the best  
And when your daughters saw you sleeping  
So peaceful and free from pain  
They could not wish you back  
To suffer that again
