I knew Gerry mainly from a distance, through the obvious happiness he brought my sister Mary these last few years. I did get to meet him once up here and then again, briefly and too near the end, in Florida. Sometimes in-laws are winners, and Gerry is proof. I'll never forget the commercial eHarmony.com made about that wonderful pairing. Mary, as the present pain subsides, I hope you'll treasure that video forever. Your brother Andy

Gerry will always be remembered for his generous spirit and was a bright spot in working for the Florida Department of Revenue. He came through our area quite often to visit with Mary Bennett and bring her a flower (that made her day). I still have the window shade he gave me in 1999 when I bought the Sonata. Every time I put the shade up, I think of him. May god bless you as you go through this difficult time. Judith Archey

Gerry, I can't thank you enough for taking care of my mom. You were so good to her and I really appreciate that. I hope, in your transition, that you are free of pain and suffering and that you are reunited with your loved ones. Also, please smile down at us (especially Mary) and have a couple of beers for me! Love ya Ger! Sandy
