I am so sorry for your loss, but I would like you to know that Mike was loved and respected by his friends here in Fort Pierce and at work. You could always count on Mike to bring a smile to your face and make you feel better and be able to see the brighter side. I will never forget how proud he was of bowling his first 300 game and the ring that came with that honor. I will miss seeing him here at work and just talking to him. My husband and I shared 22 years of friendship with Mike and we will miss him very much. My thoughts and prayers are with you during this time
