On behalf of the Sabota family, I would like to express my deepest sympathy to Bud on the passing of Elvira. Our family fondly remembers the many happy vacations spent with Aunt Elvira in Chincoteague, Virginia. She didn't enjoy the beach, but loved our cottage overlooking the bay and the breathtaking sunsets we viewed together. She always had her knitting or craft project with her. An early riser, she usually had already taken a walk and prepared fresh fruit, even before we got out of bed. How she loved those trips to the ice cream parlor for pineapple ice cream! We will long remember how she touched our lives with her determination, unique personality and caring ways. Rebecca Sabota
