Hoda, thank you for informing us of Danny's passing. I remember how you spoke so lovingly of your sons when we were working together in Idaho. In knowing you, I felt, to a certain extent, that I knew Danny as well. You are a good friend, Hoda, and God will watch over you in this difficult time. He will bless you with the strength you need. Unfortunately, we can't be with you but we will be praying for you instead. Love, Steve and Monika Steadman

We live every day but we only die once. I only regret that I couldn't catch up with such an awesome, intelligent individual in our older years, and that I cannot come down to see him off with others who felt similarly. My deepest condolences to all affected.
