Hi – my name is John Tyrrell. I did not know Wincie personally but I believe I know her daughter, Carol Henschen Roam, who is one of the nicest people on the planet. I met Carol when we both worked for IBM and she lived in Tucson, Az. I currently live in San Jose, Ca. I would greatly appreciate it if you would forward this note to her. My email address is john2yugm@gmail.com. Whether or not this is the same Carol, I want to sincerely express my condolences for the loss of her mom. If this is the same Carol, I hope you are doing well and you now have my email if you want to say "hi". Cheers, John
