A great young man we watched grow and dream. Loved to hear his stories and share his funny episodes in life. Also loved to tease him about his escapades and watch and listen to his responses. Making us all laugh. We will miss talking to him in the driveway, and as a great neighbor to share times with. Our love for his family is shared in our prayers at this time and always.

I have such sweet, fond memories of Nickolas. We would always laugh, he would always ask about my life, my travels and work. He never complained about any of his health issues, and everytime I'd ask, he replied with "Oh, don't worry about me. I'll be fine". I will continue to carry sweet memories of our friendship. I was blessed to know him.
