Dear Bill & Debi, Words cannot even begin to express the feelings of the loss of Betsy. It is so sad that you have to go through another loss so soon. The love that they had for each other was remarkable. Betsy & George are together again. I am thinking that they are having cocktails with my grandparents, (it has been awhile). We can only hope and pray that they are in a better place. Betsy and George were the greatest godparents that one could ask for. You were blessed to have had them as your parents, they loved you both so much. I felt blessed to have had them in my life. They will be missed by all that were blessed to have known them. Love to you both, Judy

Dear Debi and Bill, We Love You both and we are so sorry for the loss of your Mom. Moms are such important people in our lives. Your Mom was so great and she had such a gentle way about her. She was very thoughtful and she was such a good and faithful companion to your Dad. She parented you both so well and you have both turned out to be such caring people. We are thinking of you at this time of loss and sorrow. We believe in Our Lord and Savior, Jesus Christ and know the promise that he has given us. Surely that promise is in place for your Mom. Love, Libbie and Nick
