Dear Jo Ann & Family, Please accept my Deepest Sympathy for the recent loss of your Mom & I was unaware of the passing of your Father, So sorry! I could not believe that they moved to Lakeland 20 years ago. Wow, I went to see them twice when they moved there. They were very special to me. I had the pleasure of knowing your Mother & Father as an employee of the late Tom Pellicer, their Ft Myers, Dentist. I feel very blessed to have been the recipient of their smiles & Hugs! I just happened to be staying at Ft myers Beach for the weekend & read the News Press Saturday morning to see your Mom's Obit. I remember when they would just stop by on the way to or from the beach when the office moved out to Colonial Blvd. I can still taste the avocados that they brought to us in huge paper Publix bags! And I often think of your Dad when I am using toothpicks! I always asked him to show me if he had one & of course he always did. I hope he has a golden toothpick in heaven. Also when we were located on Palm Beach Blvd, we had a hygienist who had a baby & your Dad dressed up as Santa for her, he was a GREAT Santa!! You were blessed to have awesome parents, I felt so terrible about your Mom's condition, You have endured alot. Sorry I rambled on so much, just wanted you to know how special they were to me & how they touched my life. With Sympathy, Wanda Genet
