Sharon & I want to express our deepest sympathy to you Mike and your family. We have fond memories of you being great neighbors as we started our family just across the street from you. Our son and daughter inlaw have a winter home in Fort Myers at the Renaissance but still live in Indiana. They love it in Florida and try to spend as much time as possible. We will hold you in our thoughts and prayers at this difficult time. May God touch your lives in many ways. Sincerely, Jim & Sharon Wesolek

So sorry to hear about the passing of Bev. She was such a good friend to John and I, after we moved to Ft. Myers. I so enjoyed having lunch out with Bev. Bev was such a good listener and had such a warm personality that you could not help but like her. We developed such a good relationship with Bev when Mike was working for us at Quizno's Subs. Bev is now in heaven at peace. We will miss her, but we have good memories of her that will have to sustain us until we see her again.

Bev will really be missed. I miss the days when the health department came to the schools and helped the school nurses. They made work fun. To her family all my prayers she was a wonderful, fun, lady. Loved having her at Marquette and LaSalle High School. She taught me a lot of important nursing skills. I thank you for the time I got to work with her. I was an immense pleasure. Robin Macer R.N. School Nurse, SBCSC
