Dearest Betsy, It was just yesterday, online, that I learned you have lost your beloved George. An email to that I sent to you was returned, undelivered, so I'm not sure your mailing address is the same, and am writing this way. Our very warmest thoughts are with you at this very sad time. I still recall George telling us that he knew the moment that he saw you that you were "the kind of girl I want to marry." Much love, your cousin Molly O'Reilly
