Catherine was my mother-in-law for 21 years. They don't come any better. She was a very special lady with so much love in her heart. I never met someone so unselfish and giving. I've missed her and will always remember what a special person she was. I love you Catherine. I hope my boys were waiting to greet you!

I remember dear Mrs. Willis from my high school days. Her son Richard was my best friend (we lived in the same neighborhood). She was always so kind and thoughtful to me. I was heartbroken when I heard that Richard had passed away in 1987. I had been so happy to run into Mrs. Willis in the early 80's, and she tried to get me reconnected to Richard. But it didn't work out. I think of Richard so often. I wish I had stayed in touch with his Mom & also would have loved to been there for Richard at the end of his life. Diane, it made me feel so good, to read your beautiful feelings towards your mother-in-law. You both were blessed to have one another, you also seem like a beautiful person. Susan
