We have so many wonderful memories of our time in Florida with John and all his family. We remember how John loved corn-on-the-cob!!! We always had a great time when we were together with the Johnson's! This is a bittersweet day for us. We are sad that John has gone from this world; yet, we are happy to know that he is in a place where there is no pain, no tears, no sorrow. He is waiting for us all in that beautiful land. Now we must go on without him and we must try even harder to follow his example and live our lives the way God would have us to so that we may join John and so many others in Heaven. We love you all and wish we could be with you today, but distance and health prevents us from making the trip. Please know that you are in our hearts and prayers!! Love to all, Charles, Carol, Whitnie & family

We shared many things in our lives....my sister Arleen, a long vacation with my whistling serenade, a sponge in a corvair that had a bad day, a ride in a robin's egg blue 57 Chevy, a taste of unbelievable homemade ice cream, feeding marshmallows to the ol' gator behind your house, and later in life our diabetic experience. Sorry for my sis' loss but happy there is no more pain, no more suffering. Enjoy Heaven! Allen
