This saddens me...my childhood friend. Two little girls who were best of friends...once upon a time. I have lots of memories, laughing, singing, dancing, camping...just acting silly. Time and circumstances throughout the years...the two little girls lived different lives apart. I've thought of you often and I remember the last time I found you and we talked on the phone...it was if many years hadn't passed as we chatted. I researched again to find you...and I found this page. It's heart wrenching and I have an empty feeling. Once upon a time, we were inseparable. I've never forgotten you and never will. Love, Cathy
