Bob and family, In the time of loss we reach deeper to our faith. Faith is belief without evidence. It keeps us optimistic even under the most trying circumstances. It transmutes fear, anxiety and doubt. Faith is what keeps our spirit connected and soul alive. It is a blessing that knows no boundaries and can move mountains. From my family to yours deepest sympathy...May God be with always.

Jayne and Family – I can't tell you how many hours I spent hanging out at the convenient store. I still remember the backing up accident I had in the parking lot? It was my fault! Your dad was such a special guy who made an impression on all of us who skipped classes to grab a snack when he wasn't looking! May he rest in peace and know that he made an impression on so many of us. My thoughts are with you. Hugs.

So sorry for your loss. Mr. Bucy and the store are legends in the lives of everyone who went to Cypress Lake in the great years of the 70's. How many pictures of the store hit different year books. My thoughts and prayers are with you all. After high school I worked in that plaza for 16 years and always thought of your family when I drove into the parking lot. Peace be with you all.
