Dear Phyllis, Although we did not get to spend a lot of time together at Cascades, there was always something very special about you because I felt as though you were someone who I would always remember. You were in my prayers daily and now you are at peace with the Lord. Perhaps you and I will meet up again in our futures. I hope that Bob finds a way to cope with such a tremendous loss... as well as your son and grandson. Steve and I send our sincerest sympathies to your Bob and wish that we could be at Phyllis' memorial services but we are leaving on Wednesday for New Jersey.
