I miss your sweet precious touch. I so wish i could hold and kiss you, In fact I could not stop. The only peace is knowing you are no longer suffering. But I did not know you could miss someone so much. You will forever be with me in everything I am and everything I do! Like we discussed, in my kids also. Please send me some strength, I am having a hard time without you. I LOVE you more!

Most of all the other beautiful things in life come by twos and threes, dozens and hundreds. Plenty of roses, stars, sunsets, rainbows, family, friends. But, only one mother in the whole world! Just as these beautiful painted lady butterflies are free, so are you, Mom, free to fly with all the angels we love and miss with you! Peace Love Harmony
