Dear Family of Joseph Crapo; Please accept my heartfelt condolences for your loss. I never met Joseph but I did meet his sister, my second cousin, Rosalie Crapo Carlson. I tried to contact Rosalie this afternoon, to no avail and then I found this sad news about Joseph. I would like to contact Rosalie but have neither phone # or address. I met Rosalie in 1996 on one of her visits to Florida. She got me started in Genealogy and that is how I became the Governor of the Florida Tilley Colony and the President of the Saramana Chapter of the Sons of the American Revolution. If Rosalie is the example of the Crapo family, I would dearly love to meet members of her side of the family. You have my email address and my phone # is: 1-941-756-7272 here in Bradenton, Florida just off Exit 217B and I-75. May God Bless you all. HAROLD B. CRAPO, JR (2nd Cousin)with direct line to Josiah and Luther S. Crapo.

Our family was very sorry to hear of Mr. Crapo's passing. I have many memories of camping with Mr. and Mrs. Crapo at steam shows and Empire Farm Days. As a child, I was always impressed at how kind he was to me and others. He had an amazing knowledge, and could speak about many topics with interest. We always enjoyed being around him. I am glad we got to see him and Mrs. Crapo at Burger King before they moved south. Take care Mrs. Crapo, Curt Meeder and family.
