I knew Judy for many yeas when we had in common breeding and raising exotic birds. We did alot of shows together, and had laughs along the way. She enjoyed her life like no one else I knew. I hope her later days were comfortable and full of fun.

I just found out that Judy had passed, I am so sorry I had not talked to her in awhile. Judy and I had alot of fun together when she lived in Vegas, all of our bird deals, our trips to Phx. and Pomona. I will always remember her and her laugh.RIP Judy and save me a spot.
